

How We Serve You

When represented by us, you are backed by our 5-star reputation and standard of care.

Here's our 3-step magic formula!

1 Before Matching

We gather details about your ideal Nanny Family including preferred location, age groups of the children, family's personality, and more! We create a Nanny Profile that highlights your best assets, skills, and expertise to help you shine with every family you meet.

2 During Matching

You review, accept, deny and meet families before making a long-term decision. We provide tips to interview successfully and ensure each family is a wonderful fit for you!

3 After Matching

We help secure W-2 employment terms that you are thrilled to accept including your desired rate, paid time off, paid sick leave, paid holidays, and much more! You have the full support of our team and bank of childcare and learning guides.

Our STEM Nanny Kits make learning fun, exciting, and effortless for you to facilitate while providing a roadmap to create engaging days of hands-on play with your Nanny kids.

You receive bonuses for 5-star reviews, and recommending awesome providers to join our team!
